

Oregon Coast Community Action

Feed • House • Warm • Educate

Governor Kate Brown declared a wildfire emergency in Oregon, fires are prompting evacuations and emergency responses throughout the state.

Here locally, we are seeing the disastrous effect of the fires as they move closer to cities and towns. In response, Oregon Coast Community Action (ORCCA) is open and operating to help provide housing assistance and food connection services.

- **South Coast Food Share** – Coos and Curry’s regional food bank with of over 35 partner agencies that work together to provide food to hungry people. The network distributes over 3,800 food boxes and approximately 15,000 meals each month to over 10,000 people.
- **ORCCA Essential Services - Housing, Energy, Weatherization Assistance** – Provides housing stabilization services and rental assistance, emergency assistance, and weatherization assistance to over 5,000 households annually.
- **Support Services for Veteran Families (SSVF)** - Works to rapidly re-house homeless Veteran families and prevent homelessness for those at imminent risk due to a housing crisis.

Donations of food, water, money are now being accepted to source these items for the increase need of Emergency Food Programs. We are equipped with trucks and drivers and regularly deliver to these programs who are well established distributors of emergency foods. Our teams are working in-office and remotely to support our community.
